Country House Detached For Renovation

Land area - 2,500 m Floor area - 120 m

Total Rooms - 5 rooms

Water ✓ Electricity ✓ Telephone ✗

Description

Set in an area of outstanding views as far as the sea this Cortijo would easily provide a wonderful country home of at least 3 bedrooms and could be much bigger. It comes with a plot of 2500 m² which surround the house, so ample room for a pool. The house stands at the edge of a large almond farm and is private but has access to shops and services just a couple of minutes away in the nearby village.

95,000 Euros
