Country House • Detached • Under Construction

3 bedrooms

2 bathrooms

Total Rooms - 6 rooms

Water ✓ Electricity ✓ Telephone ✗

Description

Please note that this house does not have to be this colour. It can be any colour you like as this is just an artists impression. But a beautiful three bed, two Bath Villa can be yours and you can tell the builder just how you want it. Please note that with the present moratorium on New Builds there would be a considerable delay if you choose to start from scratch.

283,500 Euros
