**Description****Outstanding Investment Opportunity**

This house which stands in approx 3000 sq mtrs of land is available for sale with the possibility of dividing the plot further to give a minimum of 4 other plots or can be occupied as a country residence as it stands.

The whole is just 2 minutes walk from the town but is set in a rural situation. The plot is level and productive, there are also a number of outbuildings including a large Garage. The property boasts a large swimming pool, a number of trees and is completely fenced. Must be seen.

**320,000 Euros**
